## **402 DISABILITY NONDISCRIMINATION POLICY**

*[Note: School districts are required by statute to have a policy addressing these issues.]*

### **I. PURPOSE**

The purpose of this policy is to provide a fair employment setting for all persons and to comply with state and federal law.

### **II. GENERAL STATEMENT OF POLICY**

- A. The school district shall not discriminate against qualified individuals with disabilities because of the disabilities of such individuals in regard to job application procedures, hiring, advancement, discharge, compensation, job training, and other terms, conditions, and privileges of employment.
- B. The school district shall not engage in contractual or other arrangements that have the effect of subjecting its qualified applicants or employees with disabilities to discrimination on the basis of disability. The school district shall not exclude or otherwise deny equal jobs or job benefits to a qualified individual because of the known disability of an individual with whom the qualified individual is known to have a relationship or association.
- C. The school district shall make reasonable accommodations for the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or employee, unless the accommodation would impose undue hardship on the operation of the business of the school district.
- D. Any job applicant or employee wishing to discuss the need for a reasonable accommodation, or other matters related to a disability or the enforcement and application of this policy, should contact David Deragisch. This individual is the school district's appointed ADA/Section 504 coordinator.

### **III. REPORTING GRIEVANCE PROCEDURES**

- E. The school district shall conspicuously post the name of the Title IX coordinator and human rights officer(s), including office mailing addresses and telephone numbers.
- F. Submission of a good faith complaint, grievance or report of unlawful disability discrimination will not affect the complainant or reporter's future employment or work assignments.
- G. Use of formal reporting forms is not mandatory.
- H. The school district will respect the privacy of the complainant, the individual(s) against whom the complaint is filed, and the witnesses as much as possible, consistent with the school district's legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations.

#### **IV. INVESTIGATION**

- A. By authority of the school district, the human rights officer, upon receipt of a report, complaint or grievance alleging unlawful disability discrimination shall promptly undertake or authorize an investigation. The investigation may be conducted by school district officials or by a third party designated by the school district.
- B. The investigation may consist of personal interviews with the complainant, the individual(s) against whom the complaint is filed, and others who may have knowledge of the alleged incident(s) or circumstances giving rise to the complaint. The investigation may also consist of any other methods and documents deemed pertinent by the investigator.
- C. In determining whether alleged conduct constitutes a violation of this policy, the school district should consider the surrounding circumstances, the nature of the behavior, past incidents or past or continuing patterns of behavior, and the context in which the alleged incidents occurred. Whether a particular action or incident constitutes a violation of this policy requires a determination based on all the facts and surrounding circumstances.

- D. In addition, the school district may take immediate steps, at its discretion, to protect the complainant, pupils, teachers, administrators or other school personnel pending completion of an investigation of alleged unlawful discrimination toward a student.
- E. The investigation will be completed as soon as practicable. The school district human rights officer shall make a written report to the superintendent upon completion of the investigation. If the complaint involves the superintendent, the report may be filed directly with the school board. The report shall include a determination of whether the allegations have been substantiated as factual and whether they appear to be violations of this policy.

#### **V. SCHOOL DISTRICT ACTION**

- A. Upon conclusion of the investigation and receipt of a report, the school district will take appropriate action. Such action may include, but is not limited to, warning, suspension, exclusion, expulsion, transfer, remediation, termination or discharge. School district action taken for violation of this policy will be consistent with requirements of applicable collective bargaining agreements, Minnesota and federal law and school district policies.
- B. The result of the school district's investigation of each complaint filed under these procedures will be reported in writing to the complainant by the school district in accordance with state and federal law regarding data or records privacy.

#### **VI. REPRISAL**

The school district will discipline or take appropriate action against any pupil, teacher, administrator or other school personnel who retaliates against any person who reports alleged unlawful disability discrimination or any person who testifies, assists or participates in an investigation, or who testifies, assists or participates in a proceeding or hearing relating to such unlawful discrimination. Retaliation includes, but is not limited to, any form of intimidation, reprisal or harassment.

#### **VII. RIGHT TO ALTERNATIVE COMPLAINT PROCEDURES**

These procedures do not deny the right of any individual to pursue other avenues of recourse which may include filing charges with the Minnesota Department of Human Rights, initiating civil action or seeking redress under state criminal statutes and/or federal law, or contacting the Office of Civil Rights for the United States Department of Education.

## VIII. DISSEMINATION OF POLICY AND EVALUATION

- A. This policy shall be made available to all staff members, employee unions and organizations.
- B. The school district shall review this policy and the school district's operation for compliance with state and federal laws prohibiting discrimination on a continuous basis.
