

## ***Jared's Dream Fund***

As many of us know, Jared had some pretty big dreams and was an all-around awesome kid! His most recent dream was to become a member of the United States Marine Corps. He imagined traveling the world while on tour with the Marines, and talked often about his upcoming adventures. In addition to Jared being a dreamer, he had many other wonderful attributes! Anyone who had the pleasure of knowing Jared knew he was very intelligent and used his wit and sense of humor to make people laugh. Jared was a great team-player; he enjoyed the time he spent with his teammates on the Hills-Beaver Creek Football Team and was part of Future Farmers of America (FFA). He helped his teams advance to high levels in both football and FFA and was extremely proud to contribute. His great imagination led to the creation of multiple videos with his classmates, and was the driving force that made him a master of story-telling and animation! He was fascinated with astronomy, and had countless, random fun-facts to keep you interested for hours! Jared did and always will mean so much to so many of us!

In order to memorialize our brother/son/uncle/friend Jared, we would like to help support your dream! Tell us in a creative way what your dream is and how it could be made possible with our financial support. You can write a song, story or poem, design a website, create a video... anything to show us what your dreams are made of and how you would use the Jared's Dream Fund to make your dreams a reality. We hope you have fun doing it, and are inspired by Jared to live out your dreams!

### **Here are some things to know:**

Application Criteria: If you have a dream of any kind and would like to receive this Dream Fund, please apply. Currently, there are no stipulations on what the money can be used for (scholarship, start-up money for a business idea, school/church trip, etc). Ideally, we would like you to be close in age to a high school student and from the Hills-Beaver Creek area, so we are supporting someone who likely had an influence or impact on Jared and/or was influenced/impacted BY Jared. We may request a friendly follow-up once the funds have been used, so we have an idea how your dreams have come to fruition.
